

## EnvisionTEC Distributor GVUK Expands to Support Customers

GLADBECK, Germany, Aug. 14, 2017 — GVUK Design Limited, a UK based distributor for EnvisionTEC GmbH has strengthened its team with new engineering talent and an investment in its infrastructure to strengthen its customer service. Specialising in the jewellery and model making industry GVUK services clients across the UK from its headquarters in Harpenden, Hertfordshire.

Director of GVUK Graham Dicks said: *“This extra investment will allow us to more effectively service both our current and future clients. Customers will soon experience an uplift from our already excellent service levels. We will continue to invest to ensure these customers are serviced by the best engineering talent.”*

Darrin Dickinson from EnvisionTEC said: *“GVUK have become a close partner of EnvisionTEC in the UK and this kind of investment, from any of our network of partners shows their commitment to improving both service and the customer experience. We look forward to supporting Graham’s efforts going forward.”*

### About EnvisionTEC

EnvisionTEC is a leading global provider of professional-grade 3D printing solutions. Founded in 2002 with its pioneering commercial DLP printing technology, EnvisionTEC now sells more than 40 printer configurations based on six distinct technologies that build objects from digital design files. The company’s premium 3D printers serve a variety of medical, professional and industrial markets, and are valued for precision, surface quality, functionality and speed.
