

EnvisionTEC Adds Crispin Associates to its Reseller Network

GLADBECK, Germany, Oct. 12, 2017 — EnvisionTEC GmbH today announced that it has further expanded its reseller network in the UK with the appointment of Crispin Associates. The London based business is authorised to sell the entire range of EnvisionTEC machines and materials to the UK market.

Crispin Associates has established itself as a trusted brand, having supported businesses across the UK since 2000. Its product offerings include, amongst others: printers/copiers, digital signage and video conferencing equipment. Its traditional markets include: education, business and charities.

“Our partnership with EnvisionTEC adds a further string to our bow, complementing our current offerings and allowing us to provide the highest precision 3D printers and industry focused materials to our clients,” said Managing Director, Dave Crispin at Crispin Associates. “We are looking forward to working closely with the EnvisionTEC team to provide the machines and materials, and also education around the potential benefits of using modern 3D printing technology.”

“Our agreement with Crispin Associates provides EnvisionTEC with another respected partner,” said Ben Johnson, EnvisionTEC’s regional sales manager for UK and Ireland. “Crispin Associates enjoys a brilliant reputation built up over the past 17 years. Its reach covers the whole of the UK, and a number of industries in which 3D printing is having real impact. We look forward to supporting them going forward.”

About EnvisionTEC

EnvisionTEC is a leading global provider of professional-grade 3D printing solutions. Founded in 2002 with its pioneering commercial DLP printing technology, EnvisionTEC now sells more than 40 printer configurations based on six distinct technologies that build objects from digital design files. The company’s premium 3D printers serve a variety of medical, professional and industrial markets, and are valued for precision, surface quality, functionality and speed.

About Crispin Associates

Crispin Associates (UK) Ltd has been successfully trading since January 2000. It specialises in supplying and supporting cutting edge technologies that help clients get their message across in the most efficient, cost effective and environmentally friendly way.

Typically Crispin Associates works with clients across the UK in a variety of sectors from universities, colleges and primary schools to corporate organisations including the financial sector, estate agents, professional services and local authorities.
